

TECH23.2016

CELEBRATING AUSTRALIAN INNOVATION
TUESDAY 11 OCTOBER 2016 – SYDNEY

Tech23 provides the ideal environment to grow Australian innovation. Over 400 key contacts crucial to Australia's innovation ecosystem will be in the audience, including reps from incubators and accelerators, universities, VC and angel investors, potential customers from banking, telco, utilities and retail, and seriously successful entrepreneurs.

Why not attend Tech23 2016 and be part of the magic that makes great things happen?
